Funding advice for clubs

Bowls England receives many requests for advice on grants from clubs

- Facility improvements
- Development projects
- Equipment

Funding advice for clubs

Bowls England wanted to help affiliated clubs to identify potential sources of grant funding

However, there is a large amount of funding bodies across the country, making it difficult to respond effectively

So...

Purchased 'Grant Advisor' as funding signpost

Funding advice for clubs

What we can do...

- Search a database of funding opportunities
- Produced a report targeted to requirements
- Support clubs during application process

What we can't do...

- Suggest grants to cover 'normal' running costs
- Applications on behalf of clubs

Funding advice for clubs

Progress so far...

- Service launched in September 2009
- Advertised by news release to clubs and counties
- Details published on BE website
- Responded to more than 500 requests from clubs

What next?

- Feedback awaited from clubs
- Determine whether it is a worthwhile service for our members
- Development Committee working on application guidance
