Dennis Mowers to sponsor Bowls England Men's National Pairs Championship

Bowls England is delighted to announce Dennis Mowers as sponsors of the 2010 Bowls England Men's National Pairs Championship.

Dennis mowers were first produced in 1922 and have always enjoyed a reputation for quality and reliability.

Renowned for their superb cut, Dennis machines are used by green keepers across England to achieve that coveted striped finish.

Tony Allcock MBE, Bowls England Chief Executive, said: "All of us recognise that the quality of playing surface is the key to our enjoyment of the sport of outdoor bowls. Dennis offers a wide range of equipment, from mowers and slotters to specialist security equipment, which will help green keepers to achieve that perfect finish time after time. We are delighted to welcome Dennis Mowers as sponsors of the Men's National Pairs Championships and look forward to working with them in the future."

Ian Howard, Managing Director of Dennis, added: "Dennis is renowned for producing truly professional grounds maintenance machinery. Innovative design and constant evolution of product through our 'customer driven' policy has led to a doubling in size of the company since 2000. Our factory is based in the heart of the industrial Midlands and we have a team of dedicated professionals on hand to help bowls clubs to make the right choice about equipment, and also to offer technical advice and support about their chosen products."

The Bowls England Men's National Pairs Championships will be held at Beach House Park, Worthing, from Sunday 22nd to Wednesday 25th August.

For a no obligation demonstration or a 32 page catalogue covering the full range of Dennis products for bowling green maintenance telephone 01332 824777 or e-mail: sales@dennisuk.com. Alternatively visit the website at: www.dennisuk.com
