To whom it may concern,

My name is Jarred Sewell and I work for a company called Fundrazor.com, I'm sending this to you in regard to your capacity within the Bedfordshire County Bowling Association. I'm interested in gathering contact details from within your league in order to offer our unique fundraising opportunities to individual clubs secretaries. If you could be of assistance in helping me acquire the Directory with such information within it I see our company being of huge benefit to your associated clubs as a whole, any help on this would be hugely appreciated.
